GLORY BE TO THE TRIUNE GOD!

"Why do you seek the living among the dead? He is not here, but has risen." – Luke.24.5

Dear Beloved

Greetings to you all in the name of our risen Lord and Savior, Jesus Christ.

As we celebrate the glorious resurrection of our Lord, we are once again blessed to reflect deeply on the mystery of God's immense love revealed through the death and resurrection of His Son. Easter is not merely the culmination of the Passion narrative—it is the victorious proclamation of life conquering death, of hope dispelling despair, and of divine love triumphing over sin. It is the divine assurance that God's redeeming grace knows no bounds. In the light of the empty tomb, we are reminded of the eternal promise offered to all who believe: "For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life." – John 3:16

In the fullness of time, the eternal Son of God took on human flesh, fulfilling the Father's redemptive plan. Through His incarnation, Jesus Christ entered fully into the human condition, humbling Himself and becoming obedient even to death on a cross (Phil. 2:6–8). In doing so, He reversed Adam's disobedience and restored our relationship with God through His resurrection.

Through His resurrection, Christ triumphed over sin and death, opening the way for us to share in His divine life. We are no longer bound by fear, sin, or despair. As Scripture says, "Since we have confidence to enter the sanctuary by the blood of Jesus, by the new and living way that he opened for us through the curtain, that is, through his flesh" (Heb. 10:19–20), we are called unto the very presence of God.

Christ's resurrection is the foundation of our faith. As St. Paul declares, "Christ died for our sins according to the Scriptures... was buried... was raised on the third day... and appeared to many" (1 Cor. 15:3–5). The early Church witnessed to this truth with unwavering conviction, and we continue to proclaim it today: Christ is risen! He is risen indeed!

Our Lord rose from the dead in a way that went far beyond human understanding or expectation. Even His closest followers struggled to believe at first. Though the tomb had been sealed and guarded by the Jewish leaders, who feared the disciples might take His body, He still rose, defying every precaution. The women who came early that morning to anoint His body, moved by love and tradition, had no thought of finding the tomb empty; yet it was to them that the Risen Lord first revealed Himself. Meanwhile, the disciples, filled with sorrow and fear, had gathered behind closed doors, grieving and without hope. And it was in that very place that the Risen Lord came to them.

Each time the Risen Lord appeared to His disciples, He turned their disbelief into faith and filled them with courage to proclaim the gospel. None turned back. Many became bold witnesses even unto death. If we truly believe and confess, then we know there is hope for redemption in any circumstance, and victory from any failure. No matter how hopeless life may seem, He brings new life. For the One who conquered sin and death is able to transform even our deepest struggles into triumph.

Let this Easter be not merely a remembrance but a true participation. Let us renew ourselves, casting off all that clings to death: fear, sin, and despair, and walk in the light of the Resurrection. For just as Christ is risen, so too are we invited to rise each day into the likeness of God, and to grow continually in divine wisdom.

May the Risen Lord, who defeated the darkness of the grave, help us to sustain in His divine grace, and may His everlasting presence fill our hearts with divine joy, peace, and love.

May God bless us all

Fr. Jackson M. John
Asst. Vicar

THE GRAVE COULDN'T HOLD HIM, NEITHER CAN OUR FEARS !!!

Welcome to Resurrection Sunday!

Today, we celebrate the single most powerful moment in history—Jesus breaking through death itself. But this isn't just a story of the past; it's a declaration for the present. The same power that raised Jesus is alive and working in us today.

It wasn't just an empty Tomb—It was a full life. When the women arrived at the tomb, they expected to find closure. Instead, they found an opening—an opening to a new way of life. Easter isn't just about what Jesus left behind; it's about what He opened up ahead of us.

Too often, we live like Friday people in a Sunday world. We hold on to pain, fear, and failures as if the grave still has the final say. But the Resurrection means that your past is not your future, and your pain is not your end. Jesus didn't just rise—He invites you to rise with Him.

So What now?

If you've felt stuck, Easter is your reminder that resurrection is possible.

If you've felt unseen, Jesus proves that He never forgets His children.

If you've felt hopeless, today reminds us that endings are really just beginnings.

Let's Celebrate Like the Victory Is Ours—Because It Is!

Worship today is not just about remembering what happened 2,000 years ago. It's about stepping into resurrection with Christ. The grave is empty. So is fear. So is shame. Let's worship like we truly believe that Jesus is alive—and so are we!

May the joy, peace & sheer power of Christ's glorious Resurrection be with all of us, now and always.

The Church or the House of God

The Holy Sanctuary (Madbaha)

The Holy of Holies is the most important and the most sacred place in our church building. The other parts are:

- ❖ Holy Place – Place inside the rails/ Azhikakam
- ❖ Nave/ Hykala – Main area where the congregation stands
- ❖ Portico/ Poomukham – the porch area outside the main entrance

The Holy of Holies or the Sanctuary is the place where the altar of worship is erected.

The Holy of Holies and the altar have similarity with the inner division of the Temple of Jerusalem.

The Holy altar is at the centre of the Holy of Holies or Sanctuary. All services in the church are centered on the Holy of Holies.

Theological Significance of Holy Madbaha:

- The Holy Madbaha is depicted as equivalent to Golgotha.
- It is also compared to the Mount of Sinai where God descended down and visited His people.
- It is also compared to Paradise, where there is the tree of life and unending songs of the sacred congregation.
- Above all, it is held as heaven itself.

Azhikakam (Holy Place)

Place inside the rails (Azhikakam) (Holy Place)

Place inside the rails;

The Veil, which separates the Madbaha and the Hykala signifies the Sky which separates the Heaven and Earth.

(Exo: 36:16, 40:3,21)

Nave /Hykala Main Hall for Congregation

Portico (Northex) Poomukham Place for Gentiles

Memories helping us to “Walk in purity with Christ”

Irene Suzanne Lovi (Seniors Div - C)

Every year we eagerly wait for the spiritual extravaganza, and it was no different this year. OVBS days at our Dubai St. Thomas Cathedral fell just after our school closing this time and we were thrilled much. OVBS 2025 was truly a blessing, drawing us closer to God through enriching sessions, joyful worship, and meaningful fellowship.

Right from the opening day we were feeling a thread of spiritual belonging to the theme - ‘Walk in Purity’ (Psalms 119:9). St Stephen’s life and martyrdom was amazingly narrated in a skit presented by our Sunday School teachers and students with which we perceived this year’s theme well in our hearts.

Our beloved Rojan Achen joined us in all song sessions, and he made it lively with his melodious singing and vibrant dance steps. Our choir team kept us always engaged and enthralling. Every day we rush to the parish hall for these song sessions - to experience the wonderful moments of joy and spiritual togetherness.

The meaningful common classes helped us reflect on our faith together and also to meditate on the different perspectives of the theme. Our beloved Aju Achen, Jackson Achen and Oommen Achen have been very caring as always helping us to understand the aspects of the theme deeper.

All our individual class sessions were filled with insightful lessons and fun activities which left an everlasting impact. We can’t thank our lovely teachers and volunteers enough for all the hard work they did to make it all memorable learning for us.

The daily color themes added excitement, and the commute in the bus was a time of fun and bonding with friends. We are feeling blessed - as part of our OVBS, we could compassionately extend a helping hand towards the less fortunate and differently abled children.

Be it any of the earlier years, Love Feast is a delicious celebration of sharing and this year, it was bigger, better, and tastier than ever! On Day 4, children arrived with boxes and bags filled with delicious food. From crispy veg cutlets to puffs, samosas, and sweets, the variety was simply mouthwatering! But what makes it truly special isn’t just the food - it’s the spirit of sharing. We all sat together, like one big family, exchanging food, laughter, and stories - when we share what we have with open hearts, together we create something truly beautiful.

The Grand Rally - A March of Unity and Spirit: it was nothing short of electrifying. Dressed in white, like angels, with banners flying high and chants of “Jai Jai OVBS” echoing through the air, every step taken was filled with passion and purpose. Everyone walked with us together, side by side, creating a living, moving picture of unity. Smiles were everywhere, and the pride in being part of something bigger was impossible to miss - the spirit of OVBS came alive in its fullest form. The rally was the emotional high point that brought everyone together, wrapping the day in a memory that will last forever.

From March to Marvel - the Closing Finale: As the powerful rhythms of the rally ended, there was no slowing down the spirit of OVBS. Without missing a beat, we all moved straight to the parish hall for the much-anticipated Closing Finale Program and what awaited us there was nothing short of magical.

One after another, the programs flowed seamlessly, keeping everyone on the edge of their seats. It was like watching a vibrant tapestry of talent, creativity, and devotion unfold right before our eyes. The skits, worship dances and mime acts moved our spirits just as much as our eyes, with every graceful step echoing deep faith and joy.

As we step forward from this blissful experience, may we continue to carry these lessons in our hearts, striving to live by God’s word and be a light to others. We are truly grateful for this opportunity and look forward to growing even closer to Christ in the days ahead!
